

Grade II, Spell Bee, Round 2 (2024-25)

Congratulations to the students who have advanced from Round 1 to Round 2 of the Spelling Bee competition! Dikshant has ingeniously designed the competition's successive rounds to enhance English language skills comprehensively. In addition to mastering spellings, students will explore word forms, accurate pronunciation, meanings, word combinations (collocations), synonyms, antonyms, and the usage of words in sentences. This holistic approach ensures that participants gain a thorough understanding and practical knowledge of the words they learn.

- **Round 2 (23rd May): Audio-Visual Stimulus, Crossword and Cracking the Riddles**
- **Word Log and the words covered in the syllabus needs to be revised.**
- **Kindly note that in each theme, two words have been added along with the previous words and the words are written in **bold**.**
