

Spell Bee (2025-2026)

Dear Parents

Greetings!

Dikshant has designed an ingenious way to impart English language skills through different rounds of the Spell Bee Competition. Students, apart from learning the spellings of a vast range of words, also learn their forms, correct pronunciation, meanings, other related forms (inflections and derivations), word combinations (collocations), synonyms, and antonyms, ensuring the holistic understanding and application of the words learned.

Information about the various rounds of the competition is given below.

- **Round 1 (25th April): Written Round-** It will be the prelim round, and students will be doing a sample worksheet for the same (Details are given below). The top 5 students will qualify for the final round.

Section Name	Section Details
Spell-O-Spell	Testing spellings (From the list given below)
Alphabetical order	Arrange the words in alphabetical order.
Picture Speak	Answering picture-based questions
Word Cookie	Catching single-letter spelling errors in the given sentences

- **Round 2 (23rd May): Audio-Visual Stimulus, Crossword, and Cracking the Riddles.**

Important Information:

For Round 1 (Alphabetical Order, Picture Speak, and Word Cookie) and Round 2, other grade-appropriate words can be given except the ones mentioned in the list below.
